

<h2 style="text-align: center;"><strong>MCA Membership Information</strong></h2>  
<div style="text-align: left;"> If you are a Collection Agency or an Attorney Group  
(engaged in debt collection) with an office in Missouri, we would like to you to join the Missouri  
Collectors Association. Below you will find a link to member benefits and an application.  
Membership in MCA and ACA are one in the same. You must join ACA in order to be  
accepted as a member in the Missouri Unit. Once your application is received, the background  
process will begin, which may take a few weeks. Once approved, the ACA will be advised  
when your application has been approved by the unit. If you have questions, send us an  
email.</div> <div style="text-align: left;"> The Missouri unit will accept other agencies  
from outside of Missouri as members. Payment of the dues for MCA only and the convention  
fee is required. ACA dues are not required to be paid again UNLESS there is a branch office  
within the state.</div> <div style="text-align: left;">To view the value and benefits of
